

Will Buziak

223 Highwood Court • Knoxville TN, 37920 • willbuziak@gmail.com

Education

University of Tennessee, Knoxville

B. Sc. Mechanical Engineering
Minor Computer Science

Expected Graduation:

May 2024

Experience

Electrochemical Energy Conversion and Storage Lab Undergraduate Research Assistant

Knoxville, TN

Aug 2022 - Present

- Assist PhD candidates in CFD modeling of two-phase flow for hydrogen electrolyzer research applications
- Design a user interface for energy storage and power delivery requirements for battery powered vehicles.

Eck-Lectric Ind. Mechanical Engineering Intern

Knoxville, TN

Oct 2022-Present

- Design, Develop, & Research solar thermal and photovoltaic processes for a solar power start-up company

Neuromorphic Computing lab Undergraduate Research Assistant

Knoxville, TN

Dec 2022 - Present

- Assist a senior design research project in operating a drone by training a spiking neural network

Shaw Ind. Process Engineering Co-op

Dalton, GA

May 2022 – Aug 2022

- Process improvement projects in a manufacturing environment focusing on waste management, safety and process optimization

Computer Skills

C++ | Python | Java | MATLAB | Solidworks | Linux/Unix | Git | Siemens PLC | Microsoft Suite
