## Complete Final Steps to Begin Direct Deposit

**STEP 1:** Verify the information USAA Bank has provided on the direct deposit form is correct.

**STEP 2:** Update your direct deposit details on the DFAS myPay website.

Generally, your direct deposit should begin 30 to 60 days after being submitted to your payroll advisor, depending on your pay cycle. If you don't receive your direct deposit within two pay cycles, please call your payroll advisor.

Direct deposit is a safe and reliable way to automatically deposit your paycheck into your bank account, so it's our pleasure to help you establish direct deposit to your USAA account.
